Statement of Compliance with POP-Regulation 2019/1021

Ladies and Gentlemen,

thank you very much for your inquiry regarding our compliance according Regulation of 20. June 2019, (EU) 2019/1021 of the European Parliament and the Council about persistent organic pollutants. Please note:

Schill GmbH & Co. KG develops, produces and sells electro-technical products.

Schill GmbH & Co. KG neither produces or imports any substances or preparations covered by the POP-Regulation.

In the interest of high product safety, we pursue the implementation of the POP-Regulation and confirm to the best of our knowledge and based on the information provided by our suppliers that no POP relevant substances are used in our manufacturing processes and our materials used.

Should in the future any of our products be affected, we will then inform you immediately and without prompting.

Kind Regards

Ingo Schill
Quality Management
