Statement of compliance with Regulation EC 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Thank you very much for your inquiry regarding our compliance with the Regulation of 1 June 2007, EC No. 1907/2006 (REACH). Please note that:

Schill GmbH & Co.KG develops, produces and sells electro-technical products.

Schill GmbH & Co.KG neither produces nor imports any substances or preparations covered by REACH. For the purpose of REACH, Schill GmbH & Co.KG manufactures "products" and is a "downstream user". Consequently, Schill GmbH & Co.KG is not subject to any mandatory registration and hence does not have to prepare any safety data sheets.

However, we do check in the interest of a high product safety that our suppliers satisfy all requirements in respect to the materials and substances that we use.

We have asked them to inform us according to REACH-Regulation article 33 without delay should any material or substances now or in the future be declared as substances of very high concern.

We will monitor the candidate list of substances of very high concern for authorisation on a regular basis.
